I) PURPOSE: The purpose of this request for Proposal (RFP) is to solicit sealed Proposals to establish term contracts with multiple contractors through competitive negotiation to obtain professional Architectural and/or Engineering (AE) Services from qualified sources for Richmond Redevelopment and Housing Authority (RRHA).

Ad defined by Section 2.2-4301. Within the Virginia Public procurement Act (VPPA) ““Professional Services” means work performed by an independent contractor within the scope of practice of accounting, actuarial services, architecture, land surveying, landscape architecture, law, dentistry, medicine, optometry, pharmacy or professional engineering.”

II) BACKGROUND:

Established in 1940 by Richmond City Council the Richmond Redevelopment and Housing Authority (RRHA) is a political subdivision of the Commonwealth of Virginia whose Board of Directors is also appointed by City Council. RRHA owns and operates, or has been involved in the management and development of approximately 4,100 low-income rental housing and related community facilities. RRHA provides housing assistance to approximately 3,100 families throughout the city and region. RRHA manages various neighborhood revitalization efforts in partnership with the City of Richmond. RRHA contributes to an increase in the City’s annual tax base and has contributed millions of dollars to Richmond’s economy. Combined, its housing and community development programs serve a population of over 33,000 residents.

As RRHA is moving in a new direction to better fulfill the purpose of the agency and to improve the lives of the many families we serve, it has charted a new direction for its future through the development of a Strategic Plan. The goals of the plan include revitalized residential and commercial communities; economic opportunities; efficiency and fiscal responsibility and quality customer services. RRHA strives to become “an innovative leader creating dynamic partnerships that build vibrant communities”. The strategic plan is available for your review at www.rrha.com.

It is anticipated that RRHA’s ongoing redevelopment initiatives will require professional architectural and engineering assistance for a variety of residential and limited number of commercial projects. RRHA will issue Project Work Orders to individual firms as needed to complete project tasks. The scope of such Project Work Orders, and the individual firm or firms to which RRHA will issue such Orders, shall be within RRHA’s sole discretion. Correspondingly, RRHA reserves the right, at its sole discretion, to make multiple awards for similar work, for other disciplines or types of work, and for other projects, as the need for each may occur. The term of this contract will be from date of award through two (2) years following the date of award and renewable for three (3) additional one-year periods thereafter. The professional service contract(s) are to be issued for services to be provided on an “as needed” basis.

RRHA anticipates the need for Architects experienced in creating the overall aesthetic and look of homes and neighborhoods to include overall functionality and safety designed to suit the needs of a diverse population. Architects may be involved in any phase of RRHA construction projects, from the initial planning through the entire construction process. Overall duties may require specific skills – designing, estimating, managing and supervising projects, and communicating with RRHA staff and third party contractors working on behalf of or in conjunction with RRHA.
RRHA anticipates the need for Civil, Electrical, Environmental, Mechanical, Plumbing and Structural Engineers to develop economical solutions to technical problems that would normally be associated with residential and occasionally commercial, developments projects. RRHA’s need for engineers will primarily involve the design of site grading and street/alleys plans, perform topographic surveys and maps, conduct boundary surveys, design of air conditioning, heating and ventilating systems; design electrical systems and/or communications systems; plumbing design; environmental assessment, testing and reporting; as well as the work associated with various residential development initiatives to include but not limited to the supervision of construction of street improvements, service roads, water supply and sewage systems. Working closely with RRHA staff, the selected engineering firm(s) may be required to deal with many factors of existing and built up neighborhoods in the design process, from the construction costs and expected lifetime of a project to government regulations and existing and potential environmental hazards.

III) **STATEMENT OF NEEDS:** The Contractor(s) shall furnish all labor and resources to provide for professional architectural and engineering (“AE”) services for RRHA. The Contractor must be willing and able, during the contract term to provide professional AE Services on an “as needed” basis. The work may include, but is not limited to the following:

A) **ARCHITECTURAL SERVICES:**

1) The Contractor should provide various pre-design services including conducting feasibility studies, or specifying the requirements the design must meet.

2) The Contractor may prepare schematic, preliminary and construction drawing and specifications, prepare as-built documents and inspection reports for RRHA’s review and use.

3) The Contractor may also be required to prepare site and landscape plans.

4) The Contractor in rare cases may be requested to specify the interior furnishings.

5) Additionally, the Contractor may be required to coordinate the work of other disciplines as needed for the development of the construction documents, to include but not limited to, mechanical, electrical, plumbing, structural and civil engineers. This coordination will pertain to all necessary field investigations, document preparation and site visits.

6) The ability to interpret building codes, zoning laws, fire regulations, and other ordinances, including those requiring access by people who are physically and visually disabled may occasionally be required.

7) Computer aided design and drafting (CADD) and/or Building Information Modeling (BIM) technology should be utilized on all projects.

8) Selected firm(s) will be expected to coordinate with RRHA on a continued effort regarding revision of plans on the basis of RRHA’s needs and budget constraints.

9) Architects may also assist RRHA in obtaining and reviewing construction bids, selecting contractors, and negotiating construction contracts. As construction proceeds, they may visit
building sites to make sure that contractors comply with the design documents, adhere to the
construction schedule, use the specified materials, and meet work quality standards.

10) The Selected firm(s) will occasionally advise RRHA on energy efficiency measures, evaluate
how well the building design adapts to the needs of occupants, and make necessary
improvements.

B) ENGINEERING SERVICES:

1) Civil, Electrical, Environmental, Mechanical, Plumbing and Structural Engineers may develop
economical solutions to technical problems that would normally be associated with
residential and, occasionally commercial, development projects.

2) The Contractor must provide services in at least one of the following disciplines:
   (a) the design of site grading and street/alley plans, perform topographic surveys and maps
       conduct boundary surveys;
   (b) perform geotechnical studies and monitor and test soil replacement;
   (c) design of air conditioning, heating, and ventilating systems;
   (d) design of electrical systems and/or communications systems;
   (e) plumbing design;
   (f) the analysis of the structural integrity of various structures and the reporting of
economical solutions to abate any issue pertaining to such deficiencies; and/or
   (g) preparation of site and landscape plans.

3) The Contractor(s) may be responsible for testing and reporting as well as the work associated
with various residential development initiatives to include but not limited to the supervision
of construction of systems associated with the work described above.

4) The Contractor(s) may be required to deal with many factors of existing and built up
neighborhoods in the design process, from the construction costs and expected lifetime of a
project to government regulations and existing and potential environmental hazards.

C) Qualifications and Accreditation: For all AE services, all of the Contractor’s staff members must
hold all professional licenses required for such service by the Richmond Redevelopment and
Housing Authority or such other responsible institution.

IV) SUBMISSION AND EVALUATION REQUIREMENTS:

A) RFP RESPONSE:

1) In order to be considered for selection, offerors must submit a complete response to this RFP.
   One (1) unbound original and six (6) copies of each proposal must be submitted to the
   following address on or before September 17, 2019 no later than 2:00 p.m. Facsimile or
electronically transmitted Proposals will not be accepted. Offerors assume sole and full
responsibility for the timely delivery of the Proposals. Late Proposals will not be considered. All Proposals will become a part of RRHA’s official files and will not be returned to the Offeror.

2) The Proposals shall be in a sealed envelope or sealed package and addressed as directed on Page 1 of the solicitation. The sealed envelope or sealed should be clearly marked and identified in the lower corner as follows:

   Request for Proposal No. RRHA RFP 2019-35
   Closing Date: September 17, 2019;
   Closing Time 2:00 p.m.
   Title of Proposal: Architectural and Engineering Services
   Contractor’s Authorized Contact: ________________
   Phone Number of Contact Person: ________________
   Name of Contract Officer: Kerry L. James

B) PROPOSAL PREPARATION:

1) Proposals shall be signed by an authorized representative of the offeror. All information requested should be submitted. Failure to submit all information requested may result in RRHA requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by RRHA. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

2) Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content. All copies should be in color, if color is utilized in the original. All text materials must also be submitted in an electronic format (Adobe PDF and or Microsoft Word Format). Drawings, maps and other graphics included with the submission must be provided as a JPEG file. If a graphic won’t work in JPEG then a GIF file is acceptable. Text and graphics may also be provided as an Adobe PDF file.

3) Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.

4) As used in the RFP, the terms “must”, “shall”, “should”, and “may” identify the criticality of requirements. “Must” and “shall” identify requirements whose absence will have a major negative impact on the suitability of the proposed solutions. Items labeled a “should’ or
“may” are highly desirable, although their absence will not have a large impact and would be useful, but are not necessary. Depending on the overall response to the RFP some individual “must” and “shall” requirement does not automatically remove that Offeror from consideration; however, it may seriously affect the overall rating of the Offerors’ proposal.

5) Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.

6) Ownership of all data, materials, and documentation originated and prepared for RRHA pursuant to the RFP shall belong exclusively to RRHA and be subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the offeror must invoke the protections of § 2.2-4342F of the Code of Virginia, in writing, either before or at the time the data and/or other material is submitted and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable and will result in rejection of the proposal.

7) **Oral Presentation:** Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to RRHA. This provides an opportunity for the offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. RRHA will schedule the time and location of these presentations. Oral presentations are an option of RRHA and may or may not be conducted.
V) EVALUATION AND AWARD CRITERIA:

AWARD OF CONTRACT: RRHA shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. Such offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. At the discussion stage the public body may discuss non-binding estimates of total project costs, including, but not limited to, life-cycle costing, and, where appropriate, non-binding estimates of price for services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of the informal interviews, on the basis of evaluation factors published in the Request for Proposals and all information developed in the selection process to this point, the purchasing agency shall select, in the order of preference, two or more offerors whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on, until such a contract can be negotiated at a fair and reasonable price. RRHA reserves the right to make multiple awards as a result of this solicitation. Should RRHA determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.
VI) REPORTING AND DELIVERY INSTRUCTIONS:

The Contractor(s) shall provide the following immediately following contract signing:

   - Progress report for the involvement of small, women-owned, minority-owned and Section 3 Businesses and Individuals as agreed to by RRHA.
   - Contract Administrator for the contract.
   - Procedures for receiving and responding to requests.

VII) PRE-PROPOSAL-CONFERENCE: A pre-proposal conference will be held on August 23, 2019 at 1:00 P.M., at the 901 Chamberlayne Parkway, Richmond, Virginia 23220. The purpose of this conference is to allow potential offerors an opportunity to present questions and obtain clarification relative to any facet of this solicitation.

While attendance at this conference will not be a prerequisite to submitting a proposal, offerors who intend to submit a proposal are encouraged to attend. Bring a copy of the solicitation with you. Any changes resulting from this conference will be issued in a written addendum to the solicitation.

VIII) GENERAL TERMS AND CONDITIONS:

A. APPLICABLE LAWS AND COURTS: This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia, City of Richmond and any litigation with respect thereto shall be brought in the courts of the Commonwealth. This contract is made, entered into, and shall be performed in the jurisdiction of the City of Richmond, Commonwealth of Virginia. The contractor shall comply with all applicable federal, state and local laws, rules and regulations. The Contractor shall procure any permits and licenses required for its business or the services to be provided by it hereunder.

B. ANTI-DISCRIMINATION: By submitting their Proposals, offerors certify to RRHA that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and § 2.2-4311 of the Virginia Public Procurement Act (VPPA). If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia, § 2.2-4343.1E).

In every contract over $10,000 the provisions in 1. and 2. Below apply:

1. During the performance of this contract, the contractor agrees as follows:
The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.

Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

The contractor will include the provisions of 1 above in every subcontract or purchase order over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

**ETHICS IN PUBLIC CONTRACTING:** By submitting their Proposals, offerors certify that their Proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

**IMMIGRATION REFORM AND CONTROL ACT OF 1986:** By submitting their Proposals, offerors certify that they do not and will not during the performance of this contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.

**DEBARMENT STATUS:** By submitting their Proposals, offerors certify that they are not currently debarred by RRHA, The Commonwealth of Virginia or the Federal Government from submitting Proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

**ANTITRUST:** By entering into a contract, the contractor conveys, sells, assigns, and transfers to RRHA all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by RRHA under said contract.
G. **CLARIFICATION OF TERMS:** If any prospective offeror has questions about the specifications or other solicitation documents, the prospective offeror should contact the Contract Officer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

H. **PAYMENT:**

1. **To Prime Contractor:**
   a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
   
b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
   
c. All goods or services provided under this contract or purchase orders, that are to be paid for with public funds, shall be billed by the contractor at the contract price.
   
d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
   
e. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, RRHA shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve RRHA of its prompt payment obligations with respect to those charges which are not in dispute (*Code of Virginia, § 2.2-4363*).

2. **To Subcontractors:**
   a. A contractor awarded a contract under this solicitation is hereby obligated:
(1) To pay the subcontractor(s) within seven (7) days of the contractor’s receipt of payment from RRHA for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

(2) To notify RRHA and the subcontractor(s), in writing, of the contractor’s intention to withhold payment and the reason.

b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from RRHA, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor’s obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of RRHA.

I. PRECEDENCE OF TERMS: The following Terms and Conditions, APPLICABLE LAWS AND COURTS, ANTI-DISCRIMINATION, ETHICS IN PUBLIC CONTRACTING, IMMIGRATION REFORM AND CONTROL ACT OF 1986, DEBARMENT STATUS, ANTITRUST, CLARIFICATION OF TERMS, PAYMENT, HUD FORMS shall apply in all instances. In the event there is a conflict between any of the other Terms and Conditions in this solicitation, the state and federal procurement guidelines outlined in the Code of Virginia, Virginia Public Procurement Act and the HUD Handbook 7460.8 Rev 2 shall apply.

J. QUALIFICATIONS OF OFFERORS: RRHA may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to RRHA all such information and data for this purpose as may be requested. RRHA reserves the right to inspect offeror’s physical facilities prior to award to satisfy questions regarding the offeror’s capabilities. RRHA further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy RRHA that such offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.

K. TESTING AND INSPECTION: RRHA reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

L. ASSIGNMENT OF CONTRACT: A contract shall not be assignable by the contractor in whole or in part without the written consent of RRHA. None of the required work shall be subcontracted by the contractor without the prior, written consent of RRHA, which may be withheld by RRHA in its sole discretion. The contractor shall be as fully responsible to RRHA for acts and omissions of the contractor’s subcontractor’s and of persons either directly or indirectly employed by its subcontractors, as the contractor is for the acts and omissions of persons directly employed by the contractor. The contractor shall include in each subcontract the contractor enters into for the provision of services under this contract, all provisions required to be included in such subcontracts established elsewhere within this contract.

M. CHANGES TO THE CONTRACT: Changes can be made to the contract in any of the following ways:
1. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.

2. RRHA may order changes within the general scope of the contract at any time by written notice to the contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The contractor shall comply with the notice upon receipt. The contractor shall be compensated for any additional costs incurred as the result of such order and shall give RRHA a credit for any savings. Said compensation shall be determined by one of the following methods:

   a. By mutual agreement between the parties in writing; or

   b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to RRHA’s right to audit the contractor’s records and/or to determine the correct number of units independently; or

   c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present RRHA with all vouchers and records of expenses incurred and savings realized. RRHA shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to RRHA within thirty (30) days from the date of receipt of the written order from the RRHA. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with state and federal guidelines.

N. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, RRHA, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which RRHA, state and federal laws may have in place.

O. **INSURANCE:** By signing and submitting a proposal under this solicitation, the Offeror certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. The Offeror further certifies that the contractor and any subcontractors will maintain the insurance coverage during the entire term of the contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

Such personnel shall not be employees of RRHA nor shall they have any contractual relationship with RRHA. All commitments made by the Contractor in the Proposal (as modified herein) with respect to (i) the Contractor’s qualifications and its satisfaction of mandatory requirements in the RFP and (ii) the number and qualifications of its personnel to be assigned to this Contract, shall be incorporated herein by this reference.

2. All the Required Services will be performed by the Contractor or under its supervision, and all personnel employed by the Contractor shall be fully qualified and shall be authorized or permitted under State and local law to perform such services. The Contractor shall not reassign any personnel specifically designated in the Proposal to perform services under this Contract without RRHA’s prior approval. The Contractor certifies that it will comply with RRHA’s request for the reassignment of any employee of Contractor performing the Required Services hereunder when RRHA determines, in its reasonable opinion that such employee is not suited to work on this Contract.

U. NO WAIVER: No failure or delay by a party to insist on the strict performance of any term of this Contract, or to exercise any right or remedy consequent on a breach thereof, shall constitute a waiver of any breach or any subsequent breach of such term. Neither this Contract nor any of its terms may be changed or modified, waived, or terminated (unless as otherwise provided hereunder) except by an instrument in writing signed by the party against whom the enforcement of the change, waiver or termination is sought. Negotiations shall be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the agency shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. The Commonwealth reserves the right to make multiple awards as a result of this solicitation. The Commonwealth may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous (Code of Virginia, § 2.2-4359D). Should the Commonwealth determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor’s proposal as negotiated.

D. AVAILABILITY OF FUNDS: It is understood and agreed between the parties herein that RRHA shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

F. **PROPOSAL ACCEPTANCE PERIOD:** Any proposal in response to this solicitation shall be valid for ninety (120) days. At the end of the ninety (90) days the proposal may be withdrawn at the written request of the offeror. If the proposal is not withdrawn at that time it remains in effect until an award is made or the solicitation is canceled.

G. **SECURITY REQUIREMENTS:** All employees of the Contractor working on this project may be required to submit fingerprinting and a fingerprint-based criminal history check conducted by RRHA at the expense of the Contractor and in accordance with the procedures applicable to RRHA’s employees. The eligibility of Contractor’s employees to work on this project may be contingent upon satisfactory results of the criminal history check which are subject to the standards of review applicable to RRHA’s employees.

The Contractor will be required to obtain from its employees working on this project the appropriate information release forms completed and signed by each employee and giving his/her consent to the fingerprinting and criminal history check. Such completed and signed forms must be submitted by the Contractor to RRHA prior to the criminal history check. Employees of the Contractor who refuse to consent to the criminal history check will not be permitted to work on this project.

5. the failure of Contractor to maintain and keep in force any insurance policy required hereunder; and

Upon the occurrence of an Event of Default hereunder, RRHA shall have the right to terminate this Contract by giving 90 day written notice to Contractor of such termination and specifying the reasons for termination and the effective date thereof. After the termination of this Contract due to an Event of Default, RRHA may, in its discretion, assume the work and services that were to be provided by Contractor hereunder and see that the same are completed by agreement with another party, all without liability to RRHA, and Contractor shall be liable for any additional cost incurred by RRHA in obtaining such replacement services. Under no circumstances shall Contractor be relieved of liability to RRHA for damages sustained by RRHA after an Event of Default by Contractor hereunder, and RRHA may withhold any payments due to Contractor for the purpose of setoff until such time as the exact amount of damages incurred by RRHA are determined. If the Contract is so terminated, in addition to RRHA’s obligation to make payment of legitimate and reimbursable expenses hereunder not theretofore paid, Contractor will be paid for the services performed hereunder within 90 days of the date of termination, based on the hourly rates set forth in the Contract. Contractor acknowledges and agrees that it shall not be entitled to any other form of compensation whatsoever in the event this Contract is terminated for the convenience of RRHA.

K. TERMINATION NOTICE: Upon the effective date of a termination notice issued by RRHA (whether for convenience or after an Event of Default hereunder), Contractor shall (i) promptly discontinue all services provided by it hereunder (unless the notice directs otherwise) and (ii) deliver or otherwise make available to RRHA (or its employees, agents or contractors, including any successor contractor) all documents, data, studies, summaries, reports and other such information and materials as have been accumulated or prepared by Contractor in performing its obligations hereunder, whether completed or in process, unless Contractor considers such information to be proprietary. Contractor shall advise RRHA of the general nature of all information it considers proprietary and shall provide RRHA with an explanation of why it reasonably considers the information to be proprietary. RRHA shall have the right to challenge Contractor’s designation of any information as proprietary. To the extent that Contractor has not previously received compensation hereunder for its preparation of such documents, Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents. Contractor shall provide usual and customary professional courtesy and responses to any inquiries made by a successor Contractor employed by RRHA, all without additional charge to RRHA or such successor Contractor. Any disputes related to the termination by RRHA of this Contract (whether for convenience or after an Event of Default hereunder) shall

P. **COMPLIANCE WITH LAWS:** The Offeror shall comply with the provisions of any statutes, ordinances, rules, regulations, or other laws enacted or otherwise made effective by any local, state, or federal governmental entity which may be applicable to the performance of this Agreement and shall obtain all necessary licenses and permits there under.

Q. **GOVERNING LAW:** All issues and questions concerning the construction, enforcement, interpretation and validity of this Agreement, or the rights and obligations of RRHA and the Offeror in connection with this Agreement, shall be governed by, and construed and interpreted in accordance with, the laws of the Commonwealth of Virginia, without giving effect to any choice of law or conflict of laws rules or provisions, whether of the Commonwealth of Virginia or any other jurisdiction, that would cause the application of the laws of any jurisdiction other than those of the Commonwealth of Virginia.

HUD 5369B – Instruction to Offerors (Non-Construction)
Instructions to Offerors
Non-Construction

1. Preparation of Offers
(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror’s risk.
(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent’s authority, unless that evidence has been previously furnished to the HA.
(c) Offers for services other than those specified will not be considered.

2. Submission of Offers
(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.
(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.
(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations
(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.
(b) Offerors shall acknowledge receipt of any amendments to this solicitation by
   (1) signing and returning the amendment;
   (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
   (3) letter or telegram, or
   (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors
Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor
(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must
   (1) Have adequate financial resources to perform the contract, or
   (2) Have a satisfactory performance record;
   (3) Have a satisfactory record of integrity and business ethics;
   (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
   (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.
(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers
(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and if
   (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
   (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/HUD that the late receipt was due solely to mishandling by the HA/HUD after receipt at the HA;
   (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term “working days” excludes weekends and U.S. Federal holidays; or
   (4) Is the only offer received.
(b) Any modification of an offer, except a modification resulting from the HA’s request for “best and final” offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.
(c) A modification resulting from the HA’s request for “best and final” offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.
(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date of the offer, modification, or withdrawal will be processed as if mailed late. “Postmark” means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull’s-eye postmark on both the receipt and the envelope or wrapper.
(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.
(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including facsimile) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by the offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

(1) reject any or all offers if such action is in the HA's interest,
(2) accept other than the lowest offer,
(3) waive informality and minor irregularities in offers received, and
(4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussion. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

(b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceeded amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.
(c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a proposal submitted before final payment of the contract.
(d) Failure to agree to any adjustment shall be a dispute under clause Disputes, herein. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.
(e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

3. Termination for Convenience and Default

(a) The HA may terminate this contract in whole, or from time to time in part, for the HA’s convenience or the failure of the Contractor to fulfill the contract obligations (default). (b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
(c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(i) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of offset or partial payment, as the case may be, of amounts owed to the HA by the Contractor.
(d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.
(e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor’s Records

(a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor’s directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

(b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.

(c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.

(d) Provided the Contractor has (i) given the notice within the time stated in paragraph (c) above, and (ii) excepted its claim relating to such decision from the final release, and (iii) brought suit against the HA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the HA that it submit a final voucher and release, whichever is earlier, then the HA's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.

(e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract: except that claims for monies due or to become due to the HA under the contract may be assigned to a bank, trust company, or other financial institution. If the Contractor is a partnership, this contract shall be for the benefit of the surviving or remaining member(s) of such partnership approved by the HA.

10. Certificate and Release

Prior to final payment under this contract, or prior to settlement upon termination of this contract, and as a condition precedent thereto, the Contractor shall execute and deliver to the HA a certificate and release, in a form acceptable to the HA, of all claims against the HA by the Contractor under and by virtue of this contract, other than such claims, if any, as may be specifically excepted by the Contractor in stated amounts set forth therein.

11. Organizational Conflicts of Interest

(a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:

(ii) The Contractor's objectivity in performing the contract work may be impaired.

(b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

12. Inspection and Acceptance

(a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any
product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

(b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.

(c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise therefrom, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.  
(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.  
(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.  
(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions for Certification (A)

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. 7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction,” provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
