

- 1. Are all of RRHA's waitlists opening? No. On Monday, December 8, 2025 RRHA will be opening our PUBLIC HOUSING and PROJECT BASED VOUCHER waitlists, only. Various bedroom sizes are available.
- 2. What is a project-based voucher (PBV) waitlist? A PBV is a housing choice voucher where the subsidy stays with the unit, not the individual voucher holder.
- 3. Why not open all waitlists? Waitlists are open according to availability. RRHA is opening the waitlists that have availability in an attempt to cut down the wait time to twelve (12) months or less for persons in need of that specific bedroom size.
- 4. What are the bedroom sizes that are opening? See chart below:

- 5. I have been on the waitlist for several years, so will I get housing when the waitlist opens? Each waitlist is separate, it can depend on several factors such as but not limited to the number of vacancies at the property, your position on the waitlist, the type of housing unit you have selected (ADA or handicap accessible) and your family composition. Waitlist openings do not guarantee placement into housing.
