Inclusive housing creates stronger, healthier and more connected communities.

FAIR HOUSING IS NOT an OPTION! It is the LAW!

*The Fair Housing Act offers protections to **CERTAIN CLASSES OF PEOPLE** from discrimination in housing.*

The Fair Housing Act, Title VIII of the Civil Rights Act of 1968 prohibits discrimination in the sale, rental, and financing of housing based on race, color, religion, sex, national origin, familial status, and disability.

(Virginia Added) Elderliness | Sexual Orientation | Gender Identity | Military Status | Source of Funds

The law prohibits applying one standard to one class of individuals while applying a different standard to another class of individuals. ([Virginia Fair Housing Office website](#))
